## Site newsletter

January 2016 (visit our project website at [www.isgplc.com/ashworthbuilding](http://www.isgplc.com/ashworthbuilding))

### Progress so far.....

After returning from the Christmas break all works are progressing well on site. Interaction between contractors and building users are being managed allowing building users to go about their business unaffected by the works.

Level 2 on target for completion 25<sup>th</sup> March 2016 as planned.
