

EastBio PIPS Organisation Feedback

Thank you for your involvement in the BBSRC PIPS Internship Scheme and for helping to develop PhD student employability by providing learning through high-quality work experience in a non-academic setting. Please complete this form after the internship has finished. Please note that the primary aim of seeking this input from you is to assess the delivery of the PIPS scheme and the continuation of the relationship with your organisation rather than the funded student/intern's performance.
