☐ 1 day

☐ 2 days

☐ 3 days

☐ 4 days

13. Please provide some details of your public engagement activities (including date, location and activity). Please include a short reflection on your experience.

14. Are you happy for the details of your public engagement activity to be shared on the EastBio website?

We may contact you for further details

☐ Yes

☐ No

15. Please provide details of any external training (including date and provider)

Training Points Total

16. Your impact statement

Please briefly summarise how you see the value of your PhD work in terms of (a) its academic importance (findings, methodologies, interface with other areas of research, etc.) and (b) its significance in broader contexts, for example particular biotech industries, the environment, policy, society and economy.

Max 200 words

17. Are you happy for your impact statement to be shared with BBSRC when they request examples of impact? *

☐ Yes

☐ No

18. Are you happy for your impact statement to be shared on the EastBio website? *

We may contact you for further details

☐ Yes

☐ No

19. Please provide any additional information or context relevant to your professional development record

Interruptions of study, placements, part-time study, etc.
